

# Festival of Black Country Vehicles 2019

Entries are invited from the owners of Black Country made vehicles to attend a rally at the Black Country Living Museum on **Sunday 16 June 2019**. This year the invitation is extended to owners of vehicles made outside the Black Country area, as long as the vehicles are registered before 1950. Vehicles can be cars, commercial vehicles and motorcycles/scooters. Bicycles are also accepted if manufactured in the Black Country.

All entries will be vetted for eligibility, and owners will be notified of acceptance at the earliest possible time.

Entry to the rally will be free of charge and entrants will be admitted with their vehicle, one free passenger, in addition to the driver / rider.

During the day, entrants having roadworthy vehicles with current certificates of insurance and MOT will be allowed to drive around the site not exceeding the speed of 10mph. The Village is out of bounds to motor vehicles. Entrants with non-roadworthy vehicles may display their vehicle statically.

Entrants will be accepted on a first come serve basis, subject to scrutiny and eligibility. In the event of the rally being oversubscribed the organisers reserve the right to decline entries. Dogs are not admitted to the Museum. Clubs catering for Black Country made vehicles may mount displays, please contact for more details.

The Black Country Living Museum is an ideal venue for this event; entrants will be able to participate in all the facilities of the Museum. These include a replica Newcomen steam pumping engine, an underground coal mine, and a variety of domestic houses, industrial workshops and shops built in the 1900's in our village area. Food is available at the Workers Institute Café and Hobbs Fish & Chip Shop.

**Drivers of the vehicles participating in the cavalcade MUST refrain from drinking alcohol.**

## **Festival of Black Country Vehicles event details:**

The Black Country Living Museum, Tipton Road,  
Dudley, West Midlands, DY1 4SQ

SUNDAY 16 JUNE 2019
